PROFESSIONAL COMPUTER LABEL PRINTER

Designed to be versatile, the Brother P-Touch® Pro PC label printer produces laser quality laminated labels from your computer. With the easy to use, 32-bit label design software program and wide selection of colorful tape combinations, you can quickly create tamper-proof tags, impactful merchandising materials, and truly professional looking signs and labels. For added productivity, the P-Touch Pro PC has an automatic tape cutter with a Crack-and-Peel cutting feature built-in and one-touch clamshell design for easy, trouble-free tape replacement. Complete with printer, interface cable, software and tape, the P-Touch Pro PC delivers the performance, quality and convenience you need for your commercial, industrial and business applications.

- Nutrition/Product Contents
- Security/ID Tags
- Graphic Design Compositions

Manufacturing

- Model and Serial Number Tags
- Machine and Parts Label
- Safety Signs

HARDWARE ADVANTAGES

P-Touch® Laminated Tape

Protective Laminate (PET-polyethylene)
INK
Adhesive (Acrylic)
Base Film
Coloring for base
Adhesive (Acrylic)
Separator

Brother's patented tape technology utilizes a special adhesive and laminate which combine to form protected labels that are resilient to water, oil, chemicals, fading, abrasion, extreme temperatures and other environmental conditions.

Larger Printing Size

GS S1

On the widest tapes, the P-Touch Pro PC can print over 1" high text and graphics... large enough for bar codes, ID tags, signs, merchandising materials and more!

Tape Cutters

brother.

The P-Touch Pro PC features a unique two cutter system which automatically cuts the tape to the correct finished length with an additional Crack-and-Peel cut, which makes label application quick and easy.

Computer Operating Systems

Compatible with Windows®95, Windows®98, Windows®NT4.0

and

Macintosh® System (7.5.3 or later)

High Resolution Printing

360-dpi

360-dpi high resolution printing produces smoother text and graphics for professional looking results.

Custom Stamp Making

CIRCULATION
☐ J.Smith ☑ C.James ☐ D.Turner
☑ S.Lewis ☑ P.Thomas ☐ N.Evans
