

Business Color Laser All-in-One

MFC-L9570CDW

The Brother MFC-L9570CDW color laser All-in-One is an excellent choice for mid-sized workgroups with demanding print volumes looking for low total cost of ownership, advanced security and productivity enhancing features.

- Help maximize your budget with included Brother Genuine super high-yield 6,500—page cartridges for built-in value[▼]. For even lower cost printing, use Brother Genuine ultra high-yield 9,000-page replacement cartridges[▼].
- Triple layer security features help limit device and document access and help protect from network intrusion
- Fast, two-sided scanning to a variety of popular network and business cloud destinations helps maximize your workgroup productivity[▲]
- 7" tablet-like color Touchscreen display for easy menu navigation along with the ability to create up to 64 customized shortcuts to simplify complex and frequently used tasks.
- Scalable paper handling provides flexibility ideal for workgroups that need multiple trays to customize their workflows
- Simultaneous printing and scanning for multiple workgroups to use the device at the same time with no workflow interruption

MFC-L9570CDW
